## FAMILY WELFARE PROGRAMME

The organization conducted the family Welfare programme in Jamui District of Bihar. In this programme activities related with the family counselling and methods of family planning are also discussed. The organization started the programme for making the family happier. The family welfare programme started by the society with the objective of reducing the birth rate to the extent necessary to stabilise the population at a level consistent with the requirements of the National Economy.

Society organised family welfare programme in many places of Bihar states. The literacy rate of the states are very low and the need of aware of the people fact that a small family is a healthy one. The effectively couple protected. About this programme main view of the society is to provide family planning services within the broader context of maternal and child health care.

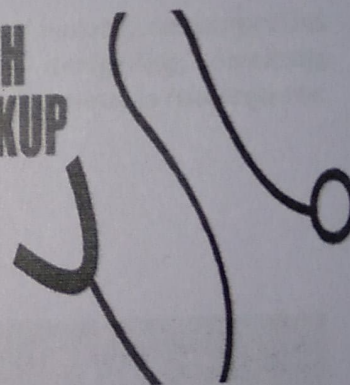

## HEALTH CHECKUP CAMP

The organisation conducted the programme in Jamui District of Bihar State. The project itself has a clinic and it conducts regular health camps in its operational villages. Through its operational clinic and health camps, the project health team has so far treated 127 patients by free of cost. Its health activities also include school level health check up, through which 79 school children's health check up was done this financial year. To make the people self-reliant, regular

trainings were imparted to traditional practitioners and various herbal plants were planted in village for treatment of common diseases. Under safe drinking water project, our society teaches people about water preservation, safe drinking water and save water resources.

## SKILL DEVELOPMENT PROGRAMME

The organisation conducted the programme in Jamui District of Bihar State. The main goal is to create opportunities, space and scope for the development of the talents of the Indian youth and to develop more of those sectors which have already been put under skill development for the last so many years and also to identify new sectors for skill development. The new programme aims at providing training and skill development to youth of our country by covering each and every village. Various schemes are also proposed to achieve this objective.

## SKILLS DEVELOPMENT PROGRAMME

- The emphasis is to skill the youths in such a way so that they get employment and also improve entrepreneurship.
- Provides training, support and guidance for all occupations that were of traditional type like carpenters, cobblers, welders, blacksmiths, masons, nurses, tailors, weavers etc.
- More emphasis will be given on new areas like real estate, construction, transportation, textile, gem industry, jewellery designing, banking, tourism and various other sectors, where skill development is inadequate.

## SEMINAR/WORKSHOP

The organisation conducted the programme in Jamui District of Bihar State. Our society organized a decorate-plants and flower-plants distribution camp cum floriculture training camp to raise the economic status of the people living within the poverty line. OUR society distributed many decorate-plants and flower-plants to each family numbering 120 families of village of district. Large numbers of gathering of local people and they were eager to receive the plants and plant them in their own field. The gathering was so strong that it took nearly 6 hours for the process of distribution plants. The scheme becomes very popular. It such scheme is again brought after reasonable interval, this is definitely going to change the shape of district and in entire will be asset to the people.

## **AGRICULTURE AWARENESS & TRAINING PROGRAMMES**

The organisation conducted the programme in Jamui District of Bihar State. Agricultural extension and training programme is the application of scientific research and new knowledge to agricultural practices through farmer education. The field of 'extension and training' now encompasses a wider range of communication and learning activities organized for rural people by educators from different disciplines, including agriculture, agricultural marketing, health, and business studies.

## **OLD AGE HOME PROGRAMME**

The organisation conducted the programme in Jamui District of Bihar State. For the sake of welfare and rehabilitation of aged people in the age group of 60 years and above, old aged home is running by OUR society. The main objectives of this Programme is—

- To foster the welfare of the needy aged.
- To assist the elderly irrespective of caste and creed.
- To create confidence amongst the aged and help them to take decisions on their own pertaining to their lives.
- To create younger generation and in society, a social awareness about the problem of the elderly.

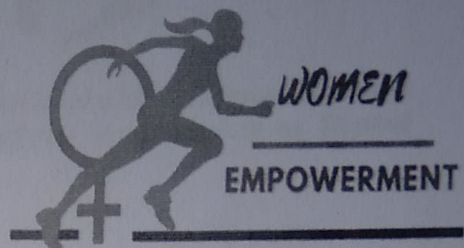

Under this Programme, OUR society provides the beneficiaries recreation facilities, Health care, Nutrition and arrangement, training for income generation.

## WOMEN EMPOWERMENT PROGRAMME

The organisation conducted the programme in Jamui District of Bihar State. Economic empowerment is a sine qua non for elevating the status of women in our society. One possible approach towards achieving this end could be through entrepreneurship development. Through entrepreneurship development a women will not only generate income for herself but also generate employment for other women in the locality. This will have a multiplier effect

in the generation of income and poverty alleviation. According to society many causes of poverty in India and which main causes are poor status of women, less job opportunity & low productivity and low income are make vicious circle of poverty.

## WOMEN & CHILD WELFARE PROGRAMME

The organisation conducted the programme in Jamui District of Bihar State. With support of UNICEF Gopalganj, SOCIETY started programme for women and children rights. In this programme our society organize meeting and seminars to intervene and give knowledge about women and children rights given by law. In this intervention & training programme about 50 youths benefited and trained organized by our society.

Under this second stage meeting and seminars trained youths were teach uneducated women about law & rights. SOCIETY under this programme also teaches law & rights of child, specially focused on the topic of child labour. It was observed that in polio-vaccination day, Hepatitis-B etc. There was mass gathering on the day. As the people of rural area, have poor knowledge of legal rights and solution, the people should be attracted and according Legal-cum-Health Mela is being proposed to organise.

## DIGITAL INDIA AWARENESS PROGRAMME

The organisation conducted the programme in Jamui District of Bihar State. The Digital India programme a vision to transform India into a digitally empowered society and knowledge economy. Our Mission is we want to have one mission and target take the nation forward digitally, and Economically. The Digital India Programme will pull together many existing schemes which would be restructured and re-focused and implemented in a synchronized manner. The common branding of the programmes as Digital India, highlights their transformative impact.

## HIV/AIDS AWARENESS PROGRAMME

The organisation conducted the programme in Jamui District of Bihar State. India is sitting on an HIV/AIDS "time-bomb". This is the warning from the head of an international survey agency. "The HIV/AIDS deadly disease in India is extremely grave. It is ticking time bomb. The epidemic is rising rapidly and could soon get out of control, unless the response was scaled up massively." In Bihar, for instance, no one knows how many persons are affected. OUR Organisation accepted the need participating of community and social workers for minimize this problem. Without participating and involvement of the corporate sector, the NGOs and community-based organizations the Government would not be able to tackle the problem all by itself and more effectively in anti-AIDS programmes. Our organisation practices to awareness people about HIV/AIDS through print & tele media and own health care center, but not proper success to attain. Under the Action Plan the following areas will be covered.

HIV/AIDS  
Awareness

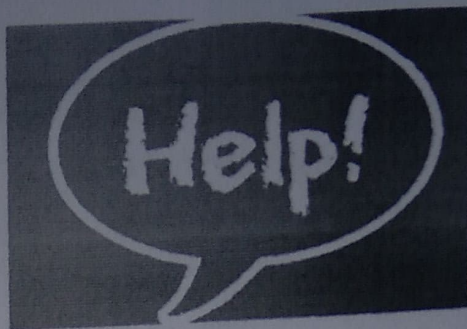

- AIDS- The Invisible Inferno
- The Human Immunodeficiency Virus
- The Clinical Features
- Pediatric AIDS
- Pathology of AIDS
- Spectrum of Infections
- Cancers- The Added Agony
- AIDS-Related Complex (ARC)- An Early Clue
- Diagnostic Approach
- Treatment

## HELP FOR NEEDY PEOPLE

The organisation conducted the programme in Jamui District of Bihar State. There are people in this world who live a luxurious life enjoying the joy of fundamentals. These people have what they want and desire to live a comfortable life. On the other hand, there are people who do not have enough clothes to wear, food to eat, education, healthcare, shelter to live and other basic necessities of life. The poor and needy people cannot even afford the basic requirements of living and are fighting each day for life.

## RURAL DEVELOPMENT PROGRAMME

The organisation conducted the programme in Jamui District of Bihar State. In the present situation, we have been able to create everybody in rural areas but so far as their services delivery is concerned, majority of them are not up to the mark. There is a need to revitalize and strengthen the already existing bodies in rural areas rather than putting a thrust on creating more and more institutions. Every rural development programme should be carried out with the association and involvement of the community people.

## CULTURAL PROGRAMME

The organisation conducted the programme in Jamui District of Bihar State. To preserve our rich cultural heritage and traditions we organized dance, folk-song, drama etc. in which young and children participated in good number. Participants were also awarded for their presentation. In this programme our through the society attained renowned theatre actors & actress and show their programmes like Ramlila Harishchandra Natak and other classical & folk programmes. Drama, Dance competition, folk art festivals, Music etc. cultural show competition organized by society for entertainment of people and their welfare.

main occupation. According to 2011 Agricultural Census of India, an estimated 61.5% dependent on agriculture.

It is a strategy trying to obtain improved rural creation and productivity, higher socio-economic equality, and ambition, stability in social and economic development. The major problems consist of the agriculture, the ownership of the land, the lack of cottage industries, lack of education social evils, death of animal, wealth, bad wealth and so on. These problems are the result of traditionalism and conservatism of the Rural Society. A healthy and dynamic agricultural sector is an important foundation of rural development, generating strong linkages to other economic sectors. The vulnerabilities of the rural poor to the economic and financial crisis and to climate change and water shortage must be addressed.

## AIDS AWARENESS PROGRAMME

The organisation conducted the programme in Jamui District of Bihar State. India is sitting on an HIV/AIDS "time-bomb" . This is the warning from the head of an international survey agency. "The HIV/AIDS deadly disease in India is extremely grave. It is ticking time bomb.

The epidemic is rising rapidly and could soon get out of control, unless the response was scaled up massively." In Bihar, for instance, no one knows how many persons are affected. OUR Organisation accepted the need participating of community and social workers for minimize this problem. Without participating and involvement of the corporate sector, the NGOs and community-based organizations the Government would not be able to tackle the problem all by itself and more effectively in anti-AIDS programmes. Our organisation

practices to awareness people about HIV/AIDS through print & tele media and own health care center, but not proper success to attain. Under the Action Plan the following areas will be covered.

### EDUCATIONAL PROGRAMME

People are less unemployed and some of them are even freelancing or rather self-employed. One of the best positive things is that child labor has gone down to an excellent extent. There are also reservation systems available for the socially underprivileged people. Reasons include poor school infrastructure, poor access to toilets, sanitation facilities, teacher absenteeism ironically, it's been almost a decade of the passing of the RTE Act. Only 28% schools (18% government schools) have a computer and 9% (4% government schools) an internet connection.

Inadequate, Improper distribution of Funds or Lack of it - Funds are the major reasons for the Education problem in India. If funds are available, they are not being used effectively. At times, the lack of funds hampers education and many times, the funds are just inadequate to solve the issue.

### AGRICULTURE & HORTICULTURE PROGRAMME

Horticulture crops perform a vital role in the Indian economy by generating employment, providing raw material to various food processing industries, and higher farm profitability due to higher production and export earnings from foreign exchange. Horticulture is a branch of plant agriculture and is both a science and an art. ... Horticultural crops include the vegetables, fruits, and nuts which are directly used by man for food, the flowers and other ornamental plants for aesthetic uses or visual enjoyment, and those used for medicinal purposes.

The horticulture industry can be divided into three areas: pomology, olericulture, and ornamental horticulture. Pomology is the planting, harvesting, storing, processing, and marketing of fruit and nut crops. Olericulture includes the planting, harvesting, storing, processing, and marketing of vegetable crops.

"Horticulture is, at the most basic level, the science or art of cultivating fruits, vegetables, flowers, or ornamental plants. The origin of the term lies in two Latin words: hortus (meaning "garden") and cultus (which means "tilling").
